

The ENX Association supports with **TISAX** (Trusted Information Security Assessment Exchange) the common acceptance of Information Security Assessments in the automotive industry.

All sides of **Vorwerk Autotec** and **Vorwerk Drivetec** are TISAX Participants with the Participant ID:  
**PFPC6**

The TISAX Assessment was conducted by an accredited audit provider.

The result is exclusively retrievable over the ENX Portal. ENX Association governs TISAX on behalf of the German VDA. TISAX and TISAX results are not intended for general public.

For more details see following page.
